

Write Your Opinion

When you **write your opinion**, you tell what you think about a topic. To persuade your readers to agree with you, support your opinion with reasons.

Amazing Science Fiction

Opening catches reader's interest.

How would you like to go back in time and meet a dinosaur? What about a short walk on the planet Mars? Maybe you'd prefer to watch from another galaxy as our Earth explodes!

Writer uses persuasive words effectively.

To the reader of science fiction, these **incredible** adventures are just a turn of a page away. Science fiction allows us to do the **impossible** without leaving our armchairs. Reading science fiction is also a **great** way to learn. What would life be like on the moon? Will we ever travel in time? Read science fiction to find out.

Opinions are supported with reasons.

Conclusion restates main idea.

Everyone **should** give science fiction a try. It adds excitement and imagination to our lives.
