Storm Chasers' Digest

From the Editor

Season of the Cyclone

Hold on to your hats! It's the beginning of the hurricane season. It could be a busy season too. We will print the facts about the storms as they happen. Stay tuned.

Tornado Trivia

- In the United States, an average of 100 tornadoes are observed or reported each year.
- Most tornadoes occur in April, May, and June.

Letters to the Editor

Dear Editor,

Please give us more information about snowstorms. I would like to learn more about cold weather.

Hot in Florida

1. Who wrote the information in *Season of the Cyclone*?

2. What is the name of the newsletter?

3. What is included in the Tornado Trivia section?

4. Why might someone write a letter to the editor?

5. What other information might be included in this newsletter?

Home Activity Your child read a newsletter and answered questions about it. Ask him or her to name some of the parts in a newsletter. Then have your child imagine that your neighborhood has its own newsletter. Encourage him or her to write a neighborhood news item.
