

Maps

Maps are drawings of places that show cities, states, and countries. Maps can show the location of landforms, bodies of water, and other important places.

Directions Look at the map of China. Then answer the questions.

1. What are two countries that border China?

2. Which river is located in southern China?

3. The Great Wall runs along the border of which region?

4. The capital of China is located close to which body of water?

5. Is Tibet a country, or is it part of China? How can you tell?

Home Activity Your child answered questions about a map of China. Together, look at maps of different countries. Find countries that are divided into states, provinces, regions, and so on. Look for each country's landforms, bodies of water, cities, and the capital.
