

Skim and Scan

Readers **skim** to find the main idea of a text. Skimming is reading quickly and not reading every word. To skim, read titles, headings, and some sentences. Readers **scan** to look for certain words or phrases. Scanning can be used to find out if a text or resource has the information a reader wants or if it answers a question.

Directions Skim or scan the chart to answer each question.

Making and Using Money

| How to Earn It | How to Save It | How to Spend Wisely |
|---|---|--|
| <ul style="list-style-type: none"> • Do yard work for neighbors • Do odd jobs • Return bottles and cans for cash | <ul style="list-style-type: none"> • Put it away where you won't see it all the time • Put it in the bank | <ul style="list-style-type: none"> • Make a list of things you want • Spend money only on things on the list |
