

Adjectives That Compare

Adjectives are often used to make comparisons. To compare two people, places, or things, you usually add *-er* to an adjective. To compare three or more people, places, or things, you usually add *-est* to an adjective.

Sometimes you must change the spelling of an adjective when you write the *-er* or *-est* form.

Drop final e	rare	rarer	rarest
Change final y to <i>i</i>	spicy	spicier	spiciest
Double final consonant	hot	hotter	hottest

Puerto Rico has warmer weather than Florida.

Northern Africa has the warmest weather of all.
