# Statements and Questions

**Directions** Use each subject and verb in a sentence. Add words to make the sentence complete. Each item will tell you whether to write a statement or a question.

**Example:** Statement: I want  
I want a new bike.

1. Question: books cost

---

2. Statement: store sells

---

3. Question: parents pay

---

4. Question: you save

---

5. Statement: people spend

---

**Directions** Write three sentences about a time when you saved money. Include at least one question.

---

---

---

---

**Home Activity** Your child learned how to use statements and questions in writing. Have your child write a letter to you that includes at least one statement and one question.
