

Name _____

Common and Proper Nouns

Directions Rewrite each sentence. Replace each underlined common noun with a proper noun.

1. The city has a zoo with many animals.

2. You can get books about animals on a street.

3. You can see wild animals at a place.

4. Fish live in the river.

5. There are many interesting animals in that country.

Directions Write a description of a place that has interesting animals. Use at least two proper nouns.

Home Activity Your child learned how to use common and proper nouns in writing. Look at family photos with your child. Have your child write a sentence about a place your family has visited, using at least one proper noun.
