

Name _____

Irregular Plural Nouns

Directions Underline the singular nouns and circle the plural nouns in the sentences.

- Neighbors thought the dirty park was a problem.
- Men cut branches and raked leaves.
- The children picked up papers.
- The workers saw several deer and geese during the day.
- Their feet were muddy, but the park was clean.

Directions Write the plural form of the noun in ().

- A big problem was solved by those (woman). women
- The family's garage was full of (mouse). mice
- The ladies brought in cats and (child). children
- Soon the mice ran for their (life). lives

Directions Write one or two sentences about a clean-up problem and how it was solved. Use the plural forms of at least two of these nouns: *child, foot, leaf, man*. **Possible answer:**

- The children tracked their muddy feet all over the rug, but the men washed away the dirt.

Home Activity Your child reviewed irregular plural nouns. Look at a newspaper article with your child. Have your child point out three irregular plural nouns.
