# Plural Possessive Nouns

**Directions** Write sentences about life in America in the 1600s. Use the plural possessive form of each noun in your sentence. **Possible answers:**

1. farm

**The farms' crops were corn and wheat.**

2. tree **The trees' wood was the main building material for the colonists.**

3. house

**The houses' fireplaces kept families warm.**

4. settler

**The settlers' skills were needed for building houses.**

5. colony

**The colonies' houses were warm and comfortable.**

**Directions** Write a sentence about something you would have liked about colonial life. Then write a sentence about something you would not have liked. Use at least one plural possessive noun in each sentence. **Possible answers:**

6. **I would have liked the early Americans'**

**Thanksgiving.**

7. **I would not have liked the colonists' illnesses.**

**Home Activity** Your child learned how to use plural possessive nouns in writing. After watching a movie or TV program, have your child write a sentence about the show that uses at least one plural possessive noun.
