# Irregular Verbs

**Directions** Write sentences about volcanoes. Use each given word in the past tense.

1. see **Possible answers:**

**I saw a volcano in Washington.**

---

2. begin

**The volcano began to erupt a few years ago.**

---

3. take

**The volcano's eruption took many days.**

---

4. go

**The people nearby went away from the volcano.**

---

5. run

**They ran away from the lava.**

---

**Directions** Write three sentences describing how a volcano erupted. Use the past tense of at least two irregular verbs. **Possible answer:**

**Gases went high in the air. Lava began a path  
down the volcano. Many people have taken  
photographs.**
