# Adverbs That Compare

**Directions** Answer each question. Use a comparative or superlative form of an adverb in the box or an adverb of your own in each answer.

quickly    soon    hard    long    slowly

**Possible answers:**

1. How hard did Carlos and Tara work in cooking class compared to all the other students?

**Carlos and Tara worked hardest of all the students in cooking class.**

2. How long did Carlos stay in the kitchen compared to Tara?

**Carlos stayed in the kitchen longer than Tara.**

3. How quickly did Tara mix her cake batter compared to all the other students?

**Tara mixed her cake batter most carefully of all the students.**

4. How soon was Tara's cake done compared to Carlos's cake?

**Tara's cake was done sooner than Carlos's cake.**

5. How slowly did Tara's cake rise compared to all the other students' cakes?

**Of all the cakes, Tara's cake rose most slowly.**

**Directions** Write two sentences about experiences you have had helping in the kitchen. Use two adverbs that compare. You may use adverbs from the box above or think of your own. Underline the adverbs.

**Possible answer: I worked harder on my cookies than my sister did. Mine were finished sooner than hers.**

**Home Activity** Your child learned how to use adverbs that compare in writing. Have your child write two sentences giving advice about cooking or another activity to someone younger. Have your child use at least one adverb that compares in the sentences.
