## Quotations

**Directions** Write a quotation in a sentence to answer each question. Use *I replied*, *I answered*, *I said*, and *I exclaimed*.

**Possible answers:**

1. "What is your favorite kind of music?" Jeremy asked.

**"Pop music is my favorite," I said.**

2. "What musical instruments do you know how to play?" Nicole asked.

**"I can play the piano," I answered.**

3. "What other musical instrument would you like to play?" Chris asked.

**"I would like to play the guitar," I replied.**

4. "What is your favorite kind of dancing?" Anna asked.

**"I like ballet," I said.**

5. "Why do you like music?" Steven asked.

**"Music makes me happy," I exclaimed.**

**Directions** Imagine a conversation you might have with a friend about learning to play a musical instrument. Write three sentences of the conversation. Use quotation marks and other punctuation correctly.

**Possible answer: "I'm taking piano lessons,"**

**Jamal said. "What songs have you learned**

**to play?" I asked. "I just had my first lesson**

**yesterday!" exclaimed Jamal.**

**Home Activity** Your child learned how to use quotations in writing. Have your child write a quotation from a conversation you had during the day. Make sure your child uses correct punctuation marks.
