

Name \_\_\_\_\_

## Compare and Contrast

- When you **compare** two or more things, you think about how they are alike and how they are different.
- When you **contrast** two or more things, you only think about how they are different.

**Directions** Reread the story *Do Animals Have a Sixth Sense?* Then use the chart below to fill in the facts about the behaviors of dogs, cats, and bees before a natural disaster.

Dogs	Cats	Bees
1. <u>          <b>howl</b>          </u>	3. <u>          <b>hide</b>          </u>	4. <u>          <b>leave their hive</b>          </u>
2. <u>          <b>dig</b>          </u>		

**Possible responses given.**

5. Write a general statement about how animals behave in similar ways before a natural disaster.

**Animals behave unusually before a natural disaster.**

---

6. Write a general statement about the different behaviors of animals before a natural disaster.

**Some animals try to run away, other animals try to find a safe place, and still other animals make noise.**

---
