

Name _____

Sequence

-
- The **sequence** of events in a story is the order in which the events occur.
-

1. What is the sequence of events that goes on in bartering?

2. Describe the bartering that took place between the American colonists and Native Americans.

3. Describe the sequence of events in “Bartering Day” at school.

4. Trace the steps the community theater took to advertise its summer play.

5. Look at the bartering plan on pages 8 and 9. Write down a sequence of events for how the Smith family might barter with the Jones family.
