

Name \_\_\_\_\_

# Fact and Opinion

- A statement of **fact** is a statement that can be proved true or false.
- A statement of **opinion** is a statement of someone's judgment, belief, or way of thinking about something. Although statements of opinion cannot be proved true or false, they can be supported or explained.

**Directions** Write *F* beside statements of fact and *O* beside statements of opinion.

- \_\_\_\_\_ Chicago has many different neighborhoods.
- \_\_\_\_\_ It's much more fun to take the bus or the train.
- \_\_\_\_\_ Mexican ice cream tastes better than regular ice cream.
- \_\_\_\_\_ Pilsen is the largest Mexican neighborhood in any city in the country.
- \_\_\_\_\_ The Polish neighborhood has better food than the Mexican neighborhood.
- \_\_\_\_\_ It is better to feel like you're not stuck in just one place.
- \_\_\_\_\_ The streets were filled with pagodas, fish markets, and restaurants.
- \_\_\_\_\_ The Chicago Food Market has the best fish.

**Directions** Write your own opinion of what it would be like to live in a city with many different cultures.
