

Name _____

Draw Conclusions

- **Drawing conclusions** is thinking about facts or details and deciding something about them.
- It can also mean figuring something out by thinking about it.

Directions Draw a conclusion about each sentence. Then write a conclusion sentence.

1. John ran away from Tim's dog.

2. Judy put on her warm coat and gloves.

3. Zelda reread the story before writing her report.

Directions Write a paragraph about tracking animals. Then draw a conclusion based on the information you provided.

Conclusion: _____
